We all need to help each other to succeed better in life.

Immigrants need Guidance, friendship, mentoring, and mental health maintenance.
Lobby the Wish list of Iranian community with Law makers, House of commons, Municipal governments, United Nations, Etc.

A Help line for Iranians in need and Urgency. A Support team for life & business issues.
Iranians should become a major player in the society, their abilities be recognised, be able to influence and effect the trend of the community, and while following the Canadian dream still be able to follow their Iranian dream..

Finally to get all Rights and benefits that any other ethnic or minority group has ever gotten.
